

AI BEYOND BASICS 201

Intermediate Level

Master 9 Free Tools to Simplify Your Life

Fast-Paced & Hands-On

This fast-paced, hands-on, intermediate course is designed for those with good computer skills or who have taken the Beginner class. You will master 9 different free AI tools to research, design, create, and organize your life. With step-by-step guidance and dedicated practice time, you will learn to confidently navigate every tool.

- **Requirements:** Bring a laptop or tablet with Google Chrome, Microsoft Edge, and Firefox pre-installed (no Safari). A Google Account is required; a one-month Google AI subscription (\$19.95/month) is highly recommended.
- **Advanced Research:** Get instant, accurate news and facts with zero web clutter.
- **Creative Studio:** Design stunning greeting cards, flyers, and digital artwork.
- **Everyday Wizards:** Create custom songs, erase photo backgrounds, and generate stress-free checklists.
 - **Multimedia Production:** Use Descript to create video reels, posts, transcripts, and podcasts.
- **Schedule: 3 Hands On Sessions (choose one of these two courses)**
 - **Mornings:** Wed. 2-17, 2-24 & Thursday 3-4 Time: 10:00 AM–12:00 PM
 - **Afternoons:** Wed. 2-17, 2-24 & Thursday 3-4 Time: 1:30 PM–3:30 PM
- **Where:** Lake Miona Recreation

Course Fee: R \$90 / G \$96 plus \$20 Supply Fee (payable to instructor at class)

AI Beyond Basics 201

An Intermediate, Hands-On Course

Presented by:

The Enrichment Academy

Wed–Thu, February 17–March 4

Go Beyond the Basics. Whether you want to research smarter, design creative projects, or produce your own multimedia, this hands-on course builds real confidence with 9 different free AI tools—with step-by-step guidance and dedicated practice time built in.
